M04 - Shadow Teak

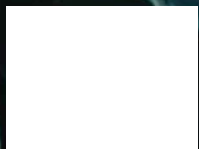

M03 - Maple

M01 - White

M09 - Morning Fog

M02 - Folkstone Grey

# IM-PAX by STEVENSWOOD®

- + Surface impact resistance greater than HPL when laminated to particleboard.
- + Incredible savings when compared to cost of HPL.
- + Use in areas that are a concern for impact.  
Example: Hospitality furniture, office furniture, retail fixtures and more!

Forward thinking innovation combined with state-of-the-art lamination provides TFL panels that exceed the impact of HPL!

Laminating our high-performance decors to a particleboard substrate provides a surface that exceeds NEMA LD3-2001 HPL Impact Requirement!

Offered in Particleboard Core
