— OPTAMATTE

ANTI-FINGERPRINT MATTE

Optmatte is a high performance super-matte decorative surface, its key features include:

- Ultra-smooth super-matte finish with a premium soft-touch feel
- Scratch resistant for lasting everyday durability
- Anti-fingerprint technology keeps surfaces looking cleaner for longer
- Stain resistant and easy to clean with minimal maintenance
- Long-lasting performance that helps protect surfaces and reduce maintenance costs

Ideal Applications:

- Kitchens: Perfect for handleless cabinetry and dark-colored designs
- Closets: Ideal for sliding doors and other high-touch surfaces
- Offices & Commercial: Great for workstations, storage cabinets, and reception furniture
