

Vanish by StevensWood

Technical Data for Vanish Super-Matte Anti-Fingerprint Surface

Description

Vanish is a high performance super-matte and anti-fingerprint decorative surface that protects the surface against UV, scratches, moisture and impacts. Vanish solid color surfaces are created by combining state of the art technologies with a unique acrylate chemistry and a polyurethane system to be then thermally fused onto PB and MDF in a single cycle under a short cycle press. Vanish is designed to provide an exceptional tactile feel while providing great performance for any indoor applications throughout the home.

Physical & Performance Properties

Color	8 Colors Available
Product Dimensions	Standard Sheet Size
Basis Paper Weight	70 - 110 g/m2 (color specific)
Final Paper Weight	285 - 365 g/m2 (color specific)
Wear Resistance	Average of 850 cycles
Dry Heat	Rating of 4
Impact Resistance	800 mm in Height
Scratch	Rating of 3
Lightfastness	Rating of 4
Wet Heat	Rating of 3
Microscratch	≤ 10%

Vanish Super-Matte Anti-Fingerprint Surface

Color	Thickness	Width	Length
SP1 Umbra	3/8" to 1.12"	4' & 5'	8', 9' 10'
SN2 Cordovan	3/8" to 1.12"	4' & 5'	8', 9' 10'
SN3 Pallid	3/8" to 1.12"	4' & 5'	8', 9' 10'
SN4 Fondue	3/8" to 1.12"	4' & 5'	8', 9' 10'
SN6 Blue Umbra	3/8" to 1.12"	4' & 5'	8', 9' 10'
SN7 Serenity	3/8" to 1.12"	4' & 5'	8', 9' 10'
SM9 Immaculate	3/8" to 1.12"	4' & 5'	8', 9' 10'
SN8 Carbon	3/8" to 1.12"	4' & 5'	8', 9' 10'

NOTE: Stock paper size is 4' x 8'. Other sizes may require minimums
